

⑤ Waste Burial Facilities, Waste Management Facilities

Facility		Low-level radioactive solid waste (number of drums)			Total (equivalent to the number of drums)	Storage equipment capacity (equivalent to the number of drums)
		Drums	Asphalt- solidified waste	Other types (equivalent to the number of drums)		
Japan Nuclear Fuel Ltd. Enrichment and Burial Plant (Waste burial facility)	Amount generated in FY2000	0	-	0	0	80
	Amount reduced in FY 2000	0	-	0	0	
	Amount of storage at the end of FY2000	0	-	0	0	
Japan Nuclear Fuel Ltd. Reprocessing Plant (Waste management facility)	Amount generated in FY2000	32	-	0	32	1,200
	Amount reduced in FY 2000	0	-	0	0	
	Amount of storage at the end of FY2000	352	-	28	380	
Tokai Works (Waste burial facility) *1	Amount reduced in FY 2000	-	-	-	-	-
	Amount of storage at the end of FY2000	-	-	-	-	
	Amount of storage at the end of FY2000	-	-	-	-	
Japan Atomic Energy Research Institute Oarai Research Establishment (Waste management facility)  *2	Amount generated in FY2000	( 97 )			( 97 )	35,870
		667	13	358	1,038	
	Amount reduced in FY 2000	0	0	0	0	
	Amount of storage at the end of FY2000	( 319 ) 14,136			( 319 ) 24,589	

Facility		Low-level radioactive liquid waste (m <sup>3</sup> )
Japan Nuclear Fuel Ltd. Enrichment and Burial Plant (Waste burial facility)	Amount generated in FY2000	-
	Amount reduced in FY 2000	-
	Amount of storage at the end of FY2000	-
Japan Nuclear Fuel Ltd. Reprocessing Plant (Waste management facility)	Amount generated in FY2000	0
	Amount reduced in FY 2000	0
	Amount of storage at the end of FY2000	0
Japan Atomic Energy Research Institute Tokai Works (Waste burial facility) *1	Amount generated in FY2000	-
	Amount reduced in FY 2000	-
	Amount of storage at the end of FY2000	-
Japan Atomic Energy Research Institute Oarai Research Establishment (Waste management facility)	Amount generated in FY2000	0
	Amount reduced in FY 2000	0
	Amount of storage at the end of FY2000	0

\*1 There is no storage facility for solid and liquid radioactive waste.

Roughly 1,670 tons of solid waste associated with the dismantling of JPDR is already buried.

\*2 The numbers in parentheses indicate the amount generated at the facility, and are included in the total amount shown. The numbers on the bottom are the total amount of waste managed at the management facility.
