*1: "-" in the "Dose Distribution for Radiation Workers" column indicates there were no applicable radiation workers.

*2: All radiation workers in the Nuclear Professional School, Graduate School of Engineering, the University of Tokyo are excluded from the subtotal because they engage in radiation work both at the reactor facility in test and research, etc. and the nuclear fuel material use facilities.

*3: All radiation workers in nuclear fuel material use facilities at the Research Reactor Institute, Kyoto University are excluded from the subtotal because they also engage in radiation work at reactor facilities in test and research, etc.
