*1: "-" in the "Dose Distribution for Radiation Workers" column indicates there were no applicable radiation workers.

*2: All radiation workers in the Nuclear Professional School, Graduate School of Engineering, the University of Tokyo are excluded from the subtotal because they engage in radiation work both at the reactor facility in test and research, etc. and the nuclear fuel material use facilities.

*3: All radiation workers in nuclear fuel material use facilities at the Research Reactor Institute, Kyoto University are excluded from the subtotal because they also engage in radiation work at reactor facilities in test and research, etc.

*4: Tsukuba Central 2 of the National Institute of Advanced Industrial Science and Technology has not been subject to Article 41 of the Cabinet Order for the Act on the Regulation of Nuclear Source Material, Nuclear Fuel Material, and Nuclear Reactors since April 27, 2015, and the National Institute of Radiological Sciences has not been subject to said Article since June 24, 2015; therefore, the value aggregated at the end of April 2015 is used for Tsukuba Central 2 of the National Institute of Advanced Industrial Science and Technology, and the value aggregated at the end of September 2015 is used for the National Institute of Radiological Sciences.
