

Publication and Distribution of Annual Reports

'Occupational Exposures at Nuclear Power Plants; Annual Report,' which describes the activities of the ISOE programme, is published annually by the OECD/NEA (Organisation for Economic Co-operation and Development/Nuclear Energy Agency) and distributed free of charge. It includes the current registration of participation in ISOE programme, summary of occupational dose studies, trends and feedback, activities of working groups under ISOE, reports of ALARA workshops and symposia, and principal events in ISOE participating countries.

The annual report is distributed to ISOE participating member through technical centers. It can be downloaded also from the OECD/NEA website directly. ([Click here](#))
