											1/6	7th (274)	Joint Operation		4/28		
(No.2)	3/25	2nd(116)			6/4 →			7/7									
		Joint Operation															
Sendai	-	0			0			0			7			8			
							8/25	9/16	Joint Operation								

(Remark) 1. The value of the quarter is the total of 3months.

2. The value in the parentheses is the gross radioactive dose during the inspection, which is measured by TLD or a digital radiation gauge with an alarm.
